LEGIONS OF BLUE FLAME

Legions of Blue Flame—by command of Hercules—
Come at our call, fulfilling our sincere decrees!
Wielding Love's power, banishing the darkest night—
Our deepest love to You—
So joyous, strong and true—
Making things right!

(Legions reply)
"We love you dearly—Children of the Light—
By earnest calling, loosing Freedom's might!
We're at your service—ready night and day—
Bringing Earth's victory NOW on Love's First Ray!"

Legions of Michael—Lord of Heaven's Flame of Blue—
Strong in Love's power—freeing all, protecting too!
Wielding, in Victory, Michael's Sword of bright Blue Flame—
Commanding all now free
From that never meant to be—
In th' "I AM" Name!

(Legions reply)
"Guardian Spirits—hope of all the Earth—
Calling for Freedom—bringing Love's rebirth!
We love you dearly—always by your side—
We are your Friends and e'er with you abide."

Legions of Blue Flame—Blessed Morya's Angels true—
Doing God's Will in loving joy and gratitude!
Power in action—They do all in purest love;
Their beauty all may see;
Their perfection all shall be—
One day—above!

(Legions reply)
"God bless you, Chelas of Our Morya's heart!
You from His loving care cannot depart!
God's Divine Will for you shall manifest—
In your great Three-fold Flame forever rest!"

CODA:
Legions of Blue Flame—make us every one like You!
"I AM" perfection—strong and wise and loving too!
Blazing our light—letting God's Great Plan be known—
Sustain us by Your love
And the peace of Comfort's dove—
WE ARE YOUR OWN!

TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume VI SEPTEMBER, 1957 No. 6

To Beloved Lord Michael, Prince of the Heavenly Hosts:

We in the Ascended Master Realm send Our limitless, eternal gratitude and blessings for Your service to Us and to Our chelas!

There is not one member of the human race; not one Guardian Spirit who has become enmeshed in discord; not one bird, animal or any other part of imprisoned life belonging to Earth's evolutions which You have not assisted to freedom from their self-imposed distresses, time after time!

Great Archangel of Compassion, of Mercy, of Faith, of Protection and of Love! You Who voluntarily offered some time ago to serve within the psychic realm twenty hours out of every twenty-four in order to cut free from distress the life that was bound there, restoring that life to God, We love You!

So often Your Shining Presence has carried a weary soul to the Karmic Board; to the Sleepers Realm; to the Temples of Light from places of darkness and despair! Never wearying in Your service of Love which is to restore to all mankind the Dignity of their God Estate, We salute You! Hallowed be Your Holy Name . . . Archangel Michael! Defender of the weak, Protector of the aspirant, Stimulator of the vacillating of nature! We welcome You and Your Legions of Light now, as always, in these days and years of restoration of the Earth's perfection, God's Kingdom manifest NOW when Angels will again walk and talk with men!

Your loving Friend, Servant and Assistant,

The Homes and Retreats of The Masters of Wisdom

(TEMPLE OF FAITH, NEAR BANFF, CANADIAN ROCKIES)

September 15th through October 14th, 1957

One of the foci from which the Great Archangel Michael and His Angelic Host serve is the Temple of Faith, located in the Etheric Realm near Banff, in the Canadian Rocky Mountains.

Many long ages ago, at the inception of mankind's individualization upon this planet, Archangel Michael, as Guardian of the Absolute Faith in God in the hearts of the Holy Innocents (the very first of mankind to use the Earth as a place of habitation) accompanied them here as their feet touched this then-beautiful Earth for the first time—coming into the vicinity of the great Teton Mountains in Wyoming, U.S.A. Many centuries later, after the advent of the "laggards" who came here from other Stars bringing their shadows of discord, Archangel Michael and His Angelic Host withdrew more and more to the magnificent Temple of Faith which They had created from the substance which Earth offered—flawless diamonds, flashing sapphires and pure molten gold.

From this focus (which was then an actual physical structure upon Earth's surface) Beloved Archangel Michael and His Legions continued to guard, protect and serve the mankind of Earth for many ages. In the beginning, the veil of maya had not yet been created and mankind's natural estate was to walk, talk, serve and accept counsel from the Angelic

Hosts and Their great Directors. From all points of the Earth's surface, people came to bathe in the powerful radiance of Lord Michael's Presence, finding there new strength to continue in their respective services to God and man and filling their souls with His faith in the ultimate expression of God's Kingdom of Heaven on Earth.

At that time, Lord Michael walked daily among these pure people and wherever He went, spiritual enthusiasm and desire to expand God's perfection were increased and sustained. His shining Presence, His flashing eyes, His exquisite golden hair were a natural and God-inspiring sight to all who looked upon Him.

After the "laggards" came here from other Stars (our sweet Earth having accepted the responsibility of giving hospitality to souls within whose natures were the seeds of impurity), Lord Michael and His Legions did not desert the Earth and Its struggling evolutions. Archangel Michael had made a vow to His God to protect the spiritual light within the hearts of mankind and no human appearances ever could or ever did swerve Him from His holy purpose!

As the ages passed, His magnificent Temple, His blazing Presence and the Presence of His Divine Helpers became less and less visible to the sight of the impure of heart and mind, until the shadows of human discord formed a veil between mankind and the Angelic Host and Their beautiful Temple of Jewels. The existence thereof today is ignored and almost completely forgotten by the great masses of the people. Yet, within the Etheric Realm, Archangel Michael has sustained that Temple and from It, even to this day, the Rays of Absolute Faith in God and determination to do God's Holy Will, still pour forth into the souls of men.

From this Temple His Helpers constantly continue to go forth on missions of Protection, Mercy, Redemption and Salvation. From this Temple, the Ray of Absolute Unswerving Faith in God continues to radiate forth through the emotional, etheric, mental and physical substance of the planet Earth and Its attendant evolutions.

Into this Temple (in their finer bodies at night, while the physical body sleeps) come all who seek to be Liberators of the race from disease, soul-weariness and all manner of human limitation. Within this Temple, inspired by Its Great

Hierarch Lord Michael, these Liberators find new courage to continue their service upon the planet Earth, while still clothed in the garments of flesh which either karmic conditions or volunteer service have created for them.

The Temple Itself is magnificent in Its circular design, Its jewel-encrusted surface, with Its golden dome shining like the Sun itself, builded only as the Divine Angelic Host Themselves can build; but the service rendered in It and through It far transcends even the beauty of Its structure.

Messengers from the Heavenly Host are constantly coming and going to and from this Temple, carrying messages from the Highest Heavens. Elementals, wearied with their task of creating and sustaining beauty upon the Earth, find renewed energies and enthusiasm in Its radiance. Angels who have taken human form to help the race, are lovingly welcomed and re-charged within Its walls, increasing their desire to serve God and man. Human beings who have dedicated themselves to helping the Angelic Host to restore the Bridge between the Divine Nature of God and the outer consciousness of man, are filled with spiritual vigor by proximity to Its pulsating energies.

Often, in the gardens that surround the Temple, the Archangel Michael and His Helpers talk informally with such individuals and they are invited to attend some of the less transcendent services within the Temple Itself. The mercy of Lord Michael spares all life from too great an exposure to the effulgent Light of God drawn at the Inner Ceremonies.

You beloved ones who long to set life free, come now during this thirty-day period into the Presence of the Great Archangel Michael! Enter into the Temple of Faith! Find within yourselves the renewed strength and spiritual stamina required to continue in your service to the Earth and Its evolutions! Speak to Lord Michael, Strong and Powerful as the Messenger of the Most High, yet gentle as a Mother to all who require assistance for themselves or the mankind He lives to serve!

An Address by

BELOVED ARCHANGEL MICHAEL

July 2, 1956

Hail, Beloved Children of the One Eternal God! To you who are temporarily walking the ways of Earth, I come tonight to bring to you My conviction of the power of positively-qualified energy which is within true Divine Love.

The expansion of this particular aspect of the nature of God has been My service in the Angelic Kingdom for many, many ages. With the help of the One Supreme Source of all life, I have developed the quality and feeling of God-confidence in positively-qualified energy. This I have developed within Myself, in the Angelic Kingdom and in some few among mankind who have chosen, from time to time, to give their attention to Me and have chosen to invoke My Presence and protective power in, through and around themselves, and their loved ones here embodied; as well as around their loved ones who have passed through so-called "death".

Think you not that it takes a tremendous capacity of Divine Love for an entire evolution, for Me to be willing to stay here for service in the Astral Realm twenty-hours out of every twenty-four by earthly count, which I have been doing for quite some time?

Think you not that it must take a tremendous amount of Divine Love for imprisoned Angels, mankind and Elemental life for the Legions of Lord Michael to come and remain with Me in such service?

Think you not that there has to be a very great power of positively-qualified energy within that Love, for Us to be able to focus It in, through and around a soul whose human creation (of course of its own making) is so heavy that the soul itself is practically inert and cannot even arise by itself to enter the Halls of Karma; there to receive its assignment from the Karmic Board to go to some specific schoolroom of instruction between embodiments? Sometimes too, a soul is so rebellious against God that it absolutely refuses to comply with the Divine Edict and Law of the Universal which governs those who have "passed on".

Think you not that it must take a tremendous "drive" of

energy, qualified with the full power of Divine Love and directed one-pointedly—to set that soul free from as much as is possible of that discordant accumulation?

Think you not that it must take a great deal of positive energy qualified with the power of Divine Love, for Us to be able to assist those lifestreams for whom some of you have chosen to pray in specific "Liberation" services, after they have passed through the veil called "death"? Many, many times at Inner Levels, with My Own hands of pure light, have I stripped from the inner bodies of your relatives and friends for whom you have called (those for whom I pledged to you My assistance because of your faithful service to Our Cause for so long, promising you that these would never have to embody here again but could finish their course at Inner Levels and make the Ascension from there), "stripping" them emotionally, mentally and etherically of as much destructively qualified energy as the mercy of the Great Law would allow, so that they could make the best possible showing before the Karmic Board. Do you know that some of them I actually had to "push" into that River of Violet Fire (commonly known as the "River Styx"), persuading them to remain within It until that substance of humanly qualified energy around them was transmuted.

Many such an one have I helped in this manner, radiating the faith, confidence and power of My conviction in the goodness of God, which later enabled that soul to walk down the long corridor in the Royal Teton, finding the Council Chamber which had been allotted to the country of their birth and where they waited in turn for invitation to appear before the Karmic Board. (I tell you, those Halls of Karma are a rather forbidding-looking place to those whose consciences know of wrongs done by them on Earth). Having given them the strength of My Own faith in the merciful forgiveness of Almighty God, I accompanied them to the Halls of Karma and stood by their side as they appeared before that August Body. There I continued the positive radiation of My Love and My conviction of Self-confidence—that feeling of "You CAN do it—for God is with you!" That is the vibratory action of faith which is representative of Our Kingdom, particularly of Those Who serve with Us on the First Ray. That is the vibratory action which is directed by My Legions into the

feeling worlds of unascended beings who seem to be in great distress and, at least temporarily, have lost hope. Some of them seem to have lost all faith in God Himself and to these I send My Legions, telling Them to give such souls through the radiation of Divine Love, *confidence in the power of God within them* to do that which they know must be done. Then these Angelic Protectors, standing in the auras of such souls needing assistance, radiate the feeling of "YOU CAN DO IT—BY THE POWER OF GOD WHICH IS WITHIN YOU"! Can you think of a greater aspect of Divine Love in service? I think not!

Divine Love ALWAYS Active on all Seven Rays

I want you to see and know that on each of the Seven Rays, the Divine Love aspect is behind every expression. It is tremendously active, of course, on the First Ray of Faith (Blue Flame) and the expression of God's Will as We have said.

It is also very active in the radiation of Illumination—the Golden Flame of the Second Ray, where the interest of the student is magnetized and held by the radiation of pure Divine Love, until he or she comes to the point where they really want to know and ask for an explanation of the Law of Life. Then, again, by the radiation of that same Divine Love, is given the Ascended Master understanding of that Law and Its correct application.

Divine Love is primarily and most extensively evident, of course, in all the activities of the Third Ray (Pink Flame), where Tolerance and complete Understanding of all of life holds sway.

It is certainly evident, too, on the Fourth Ray (Crystal Flame) where purity of emotions, thoughts, etheric substance and flesh are essential to the establishing of a close connection with the Godhead and the externalization of the God-design.

Divine Love is expressed in Concentration—Fifth Ray (Green Flame), for that which you love to do you stay with and do. You know that, even in your outer world associations. If you love something or someone *enough*, you will give your life in service to it or to them, no matter what the personal discomfort or inconvenience to yourself may be.

Again, Divine Love is most certainly active on the Sixth

Ray (Ruby and Gold) in the desire to minister to imprisoned Angels, mankind and Elemental life.

Also, this same Divine Love is one of the most important aspects of the Seventh Ray (Violet), for what greater love can there be than to invoke from Cosmic Heights, the Ascended Master Realm and Angelic Kingdom, help for an evolution in pain and torment of various kinds—especially that assistance which They can and do bring at your call—the Violet Transmuting Flame of Divine Compassion, Mercy and Forgiveness?

Now, let us NEVER consider Divine Love as being a *negative* quality! *It is always an extremely positive activity,* although Its expression at times may be that of a dynamic release of Faith, Confidence and Protection; or in Illumination and Understanding; or in the feeling of kindly Tolerance. Its expression may also be in the Purity of the feelings of the ascetic; It may be in the Concentration of your energies upon the producing of something which can be of benefit to the whole human race; It may be in the Ministering to men, women and children in distress in your hospitals and asylums or in the alleviation of the suffering of any part of life. Divine Love may also be expressed in the use of the power of Invocation, in calling forth the Divine Alchemy of the Violet Fire which, as It passes through any shadowed substance, raises the vibratory action of that substance into perfection instantly. There is no greater expression of Divine Love anywhere in the Universe, than for any man or woman to get the complete understanding of the absolute science behind the Divine Alchemy of the Violet Transmuting Flame and then, by Its use, become an example of Its reality and efficacy—particularly revealing Its tremendous blessing and possibilities to his fellowman. What one can do—*all can do!*

Luminous Presence of Any Ascended Being sustained by Rhythmic Calls

Beloved ones, I have loved you for a long time! I have often been with you at Inner Levels just before you took an embodiment and I have met you often at the close of an embodiment—at that time helping you to get your world in some semblance of Divine Order before you went before the Karmic Board. Now, I meet you often in consciousness, as you either call in decrees or sing to Me and I often come in

My Own Divine Presence at your call. I am here constantly in My Luminous Presence and anywhere else where I am rhythmically invited to be.

Where there is a rhythm of invocation which is constant, there the Luminous Presence of any Ascended Master or Cosmic Being thus called for is established and sustained. Therefore, in the various Sanctuaries all over the world where certain Masters have been accorded the privilege of working with the group and where that group consciously gives attention to that Master in song and decree, those places have in and around them a Luminous Presence of that Master which remains a part of their "forcefield" and through which that Master pours His Divine Love and assisting energies at all times.

However, in order to sustain such a blessing, such a Luminous Presence should be rhythmically acknowledged at least once in every twenty-four hours. If it is not possible to go personally this often into the Sanctuary or meeting place, because of the tremendous pressures of today's daily living—business interests, etc., which obligations arise mostly from the necessity of "making a living", then use the activity of "projected consciousness" which you have been shown how to do. This is done by consciously projecting your attention (for "Where your attention is THERE YOU ARE"!) into the seat usually occupied by you in the Sanctuary or on the platform if you are the Director of the Group, giving loving adoration and acknowledgment to that Luminous Presence of the Being or Beings —which Luminous Presences you desire to be sustained there. If you will conscientiously do this, approximately at the same time at least once in every twenty-four hours, such a Luminous Presence will be sustained there for you. Otherwise, the powerful radiation of that Luminous Presence tends to lessen if such rhythmic acknowledgment is not given It. Of course, such foci of Ascended Master Light or that of the Cosmic Beings *always increases when there is an address given or when the regular group meetings or services are held.*

Rhythmic Application Most Essential!

The lack of sufficient rhythmic application was one of the reasons why the Temple of the Sacred Heart finally disappeared from visibility upon the Continent of Atlantis. The majority of the Priests and Priestesses of that Temple did not give

rhythmic attention to the Sacred Fire established within that Temple. You see, to keep here the visible tangible presence of the Sacred Fire (which you yet have not drawn visible to the physical world) It had to be fed by the conscious ritual of the group of Priests and Priestesses who had volunteered to magnetize sustain, and expand that Flame—at least once in every twelve hours. Because of the steadily increasing shadows brought here by the "laggards" at that time, the energies of these Priests and Priestesses became enmeshed in the creations of the outer world and Their attention began to wander from the sameness of Their ritualistic pattern of invocation.

Finally, on many of the Altars the Sacred Fire just disappeared because there was no one interested or faithful enough to hold It there. As you know, the nature of the Flame is to arise and return to the Octave from whence It was originally drawn. We cannot and shall not bring that Sacred Fire back here again, visible and tangible to the physical sight of all mankind, until We can have the loving, constant, rhythmic service of those upon whom We can depend to magnetize that Sacred Fire at least once every day.

We know that you are calling for greater freedom from the demands of "making a living" so that you may be able to serve the light better and more. You see, you cannot work in the business world all day or give your energies to your homes and families and then, in the evening hours, when your energies are mostly spent, draw forth the type of energy which would be required to sustain a visible, tangible Flame. That is just common sense and it goes without saying that We would not demand such a service of you. However, We are calling with and for you and, during this Class, while the greater purification of your inner bodies and physical flesh structure is going on, We are asking for the removal from you of the causes and cores of your human creation which manifests in your world of experience as financial lack, ill health, disintegration, old age and every other human distress.

Of course, "according to your faith be it unto you"! According to your faith in Our actual reality and in the reality of that which We are endeavoring to do for you—in other words—just as much of Us and Our activities as YOU CAN AND WILL ACCEPT AS REAL—just that much We are able to do for you and your four lower bodies NOW; the rest will remain

around you in your aura until some time later—some moment when you are very peaceful and spiritually attuned. Then, suddenly, the realization and feeling of acceptance of Our gift will come into your consciousness and manifest for you in your outer experience.

I have seen individuals who have been "exposed" (shall we say) to the radiation of the Ascended Masters for an entire embodiment—with very little change of nature apparent in the outer self. Then, suddenly, in just a period of absolute relaxation, when the outer self and its anxious tensions just "let go", all of that accumulation of Ascended Master radiation of perfection *rushed in to such an one's outer consciousness* and purification took place on the instant!

Call for Feeling of God-Acceptance!

Now, *We can see* very clearly *why* you do not experience the instantaneous manifestation of all your calls and of Our release of radiation of perfection into your worlds. It is because of a "block" in the inner bodies (mostly in the emotional body and of these feelings the outer self is usually not aware) —feelings of doubt, fear and a lack of the feeling of complete acceptance of the reality of that which We wish you to have and which you want—but which you cannot as yet see, hear or cognize with the five outer senses. However, everything comes from the invisible to the visible and a thing may be very tangible, although invisible to the physical sight.

Your hearts are so sincere and your souls are calling for more and more light. You have come to this Class in the hope of procuring the blessings of that Light and the healing which goes with it, whether that healing be physical, financial or otherwise; especially a freedom from financial strain which you know should come with the steady expansion of your light. You also desire a greater feeling of unity with and closeness to your Holy Christ Self, which abides in your own hearts. *Be sure that We shall assist you all We possibly can!*

Since the beginning of this Class, once in every twenty-four hours I have gone personally into your homes and hotel rooms and, with My Own hands of pure light, I have "stripped" your four lower bodies of a great deal of humanly qualified energies which, had I not done so, would have acted later to

THE MASTERS OF WISDOM SPEAK

(ON: THE BROTHERHOOD OF ANGELS AND MEN)

MAHA CHOHAN:

The natural God-design for the planetary experiences of all evolutions in the Earth, on the Earth and in Its atmosphere, is for a conscious co-operative service between the Angelic Host and unascended beings. The Angelic Host stand ready to assume this delightful association with mankind again. Man is gradually being educated as to the existence, service and actual reality of this Kingdom.

Thus, as in the early ages, when there was the Bridge of Light connecting the consciousnesses of Angels and man (before the veil of maya shut from the eyes of man the sight of the Shining Ones; before the ears of man were closed to the music of Their speech and song), so again today are We building a Bridge from the Kingdom of the Angels into the outer consciousness of all mankind. Over this Bridge the Angels are coming, even now, in greater and greater numbers into the physical octave of Earth and mankind's experience world. They are welcomed by those who know of Their Presence and, in the Golden Age into which the Earth has now entered (presided over by the Beloved Ascended Master Saint Germain, Chohan of the Seventh Ray to be active here for the next two-thousand year cycle) Angels, Elementals and humankind will all serve together joyously to re-create the beauty and perfection of God's Holy Kingdom on Earth! God hasten that Day of Fulfillment—O, Lord of All!

EL MORYA:

The Angelic Host are a real joy to Me because Their nature is LOVING OBEDIENCE to God and to His messengers, *at all times!* Among the Angels, there are never the arguments of "reason" and "logic" to cause vacillation and delay in Their service. Thus so much energy is saved and utilized for the development and fulfillment of the Divine Plan in every Sphere in which They serve. The Angels KNOW that *the Will of God is good* and They hasten to bring the "glad tidings" wherever They are bidden to serve. This is certainly a delightful contrast to the sometimes reluctant

service of mankind, whose energies are often exhausted in weighing the "pros" and "cons" of every suggestion made by the Great Ones, until the Cosmic Moment of Fulfillment is long passed and the service which might have been performed is left undone. God bless the Angels! I love Them—*every One!*

KUTHUMI:

The Angelic Host may be classified into three distinct types of Messengers and Servants of Almighty God. The Seraphim are the great Messengers of the Suns of the System. They can and do travel in full freedom from one Solar System to another and, in form, They are extremely beautiful, delicate of feature and very aesthetic. The Cherubim Who embody the Nature of God, bathe in the spiritual aura of the Universal First Cause or in the radiation of any of the Temples of Their choice in any one of the Seven Spheres. Then, when They have learned to sustain in Their feelings a particular Virtue, They are directed to carry that feeling forth and radiate it to and for the blessing of all in the Sphere to which They are sent to serve. The general Angelic Hosts are composed of those Angels from the Spiritual Courts of every Divine Being and Their service is determined by the Divine Being Whom They have offered to assist—such as the Guardian Angels of individuals and homes; the Protecting Angels of Lord Michael; the Healing Angels of Beloved Jesus and Mary, etc.

PAUL, THE VENETIAN MASTER:

Angels, of course, are the embodiment of PURE DIVINE LOVE! They await the invitation of mankind to assist unascended beings to develop a similar nature. It cannot be overemphasized that the cultivation, sustaining and expanding of the feeling of Divine Love within the nature of human beings can be greatly accelerated by their invitation to one or more members of the Angelic Host to actually come and abide within the aura of the individual making the call; then to allow Them to radiate to and through the soul and outer

consciousness of that one making the call, the feeling of impersonal Divine Love.

That day is over when the Angelic Hosts are acknowledged only at the Christmas Season! We are entering into that era when the Angels will be accepted as ever-present Helpers of mankind. Cultivation of sustained harmony, beauty, peace and Divine Love in the soul of an individual is an invitation to the Angelic Host to come ever closer to the one desiring assistance from Them. As "like attracts like" in every Sphere, the Angels are naturally drawn toward those individuals whose natures and auras most closely resemble and express the Divine Nature of God. Those blessed ones who, at this time, cannot accept the existence of the Angelic Host will be given more and more proof of their reality as time goes on, by the members of the human race who can and have already pierced through the veil of maya, bringing back here in picture, in song and in words, the truth about the Angelic Kingdom.

SERAPIS BEY:

The Seraphim, of course, are particularly close to My heart for, as you can easily see, both Our names are derived from the same Source. Seeing Their majestic flights through interstellar space upon Cosmic mission bent; hearing the music which radiates from Their Presence when They meet or pass a Fellow-messenger from "on High"; witnessing the beauty of the personages of the Seraphim, I do decree that mankind soon shall come to know these Beings as We do and welcome Them into their hearts and worlds.

HILARION:

Angels evolve, even as all self-conscious intelligences do, for *there is no ultimate to Perfection!* Angels are a particular evolution in Themselves,—from the smallest Angels, Cherubim and Seraphim (born from the heart of the Universal "I AM" Presence or from the heart of any Divine Being) to the great Cosmic Messengers Who have learned the full lesson of Their evolution. They all keep in mind and heart the motto of the Angelic Kingdom—"The Highest" and express that full perfection of the God-head in Their particular evolutions.

Angels, having free-will even as mankind, may remain in the aura of the Father-Mother God or in the aura of one of the Archangels, as long as He or She may desire. Sooner

or later, however, They cognize the fact that it is the Will of God to serve by creating and expanding God-perfection everywhere. Then They enter the Temples of Their choice wherein They are given specific instructions as to how They may best serve God, the Spiritual Hierarchy and mankind, along the line of the particular service They have willingly offered to give. In such training, at first the Angels are allowed to perform small missions and, when those missions are successfully accomplished, They hurry back to the Divine Realms from whence They came, where They enjoy the God-feelings of Divine Love and security. Through experience, They learn how to better serve and then attempt more valiant and difficult tasks in God's Name "I AM".

Because of the tremendous need for the expansion of the feelings of Divine Love in the nature of unascended mankind—which need, of course, is seen by the Angelic Host in Their endeavors to set mankind free from human imitations, some of the Angels have applied to the Lords of Karma for permission to take on physical bodies and thus serve mankind, Elemental life and all living things belonging to Earth's evolutions, especially those still unascended. When such permission is given, such Angelic Beings learn more of the nature and needs of the Kingdom which They have offered to serve and how to meet that need God's way. Some of these Shining Ones Who have been given permission to embody here thus have become enmeshed in the discordant thoughts, feelings, spoken words and deeds of the mankind They came to serve—in the vibratory action of the Earth-plane. However, buried deep within the substance of the etheric body (memory world) of such lifestreams, there is often a very faint but quite persistent remembrance in the consciousness of such, of their Divine Nature and the freedom they once enjoyed in the Higher Spheres. This often creates a tremendous struggle in the endeavors of an imprisoned Angel to regain the perfection of his natural God-estate. I admonish you to pray for all such Angelic volunteers, who are so caught in the veils of flesh, for theirs was and is a sacrifice of love!

JESUS:

I am greatly indebted to My Own Beloved Mother Mary (Divine Complement of the Beloved Archangel Raphael) for

Her assistance in enabling Me to acknowledge and accept the existence of the Angelic Host as very real, tangible, Divine Beings. All throughout My final Earth-life, the Angelic Host guided, guarded and protected Me—first through My Mother, then through My Father (Joseph—now Saint Germain) and, later, through My Own association with the Angelic Host.

Countless legions of Healing Angels are even now at your command, beloved ones! By loving invocation, in the Name of your own Beloved "I AM" Presence, call Their Presence into hospitals, prisons and all foci of mankind's need and discord and into the lives, homes and worlds of all you hold near and dear. We and They await your invitation to come and help you. The wall of skepticism and unbelief concerning the reality of the Angelic Host—which wall has been builded all through the centuries by the doubts and fears in the masses of mankind—is being transmuted by the faith of the "few" who really KNOW of the existence of these Beings. Will you not join these "few" and enjoy the opportunities of this Cosmic Moment, when the Heavens are about to open and the Divine Beings *there* step forth *here*—visible and tangible to the physical sight of all mankind? I implore you so to do!

SAINT GERMAIN:

"The Brotherhood of Angels and Men" is one of the planks in the platform of the Golden Age which, as Chohan of the Seventh Ray, I have been privileged to usher in. As the Seventh Ray is primarily a Ceremonial Ray, the beautiful participation of the Angelic Host in the spiritual ceremonies of mankind will greatly hasten the manifestation of God's Kingdom right here on Earth. All through the ages, Angels have walked and talked with those whose spiritual perceptions were clear enough to cognize Their Presence. It is the decree of the Cosmic Law that now all mankind shall know, accept and serve co-operatively with the Angelic Host. The Great Lord Zadkiel and His Divine Complement—Holy Amethyst—are helping Me to stimulate the feelings of acceptance in mankind of the Angelic Host at this time. You, too, Gentle Reader, are helping Me by your calls to Us and to Them and for this I am so grateful!

I now decree that Legions of Angels, carrying the particular powers and virtues of the Seven Rays, instantly shall come at your sincere, loving call and make you *feel* Their Presence with you—thus proving to you the reality of Their Presence and ability to assist mankind in the re-creation of God's Kingdom on Earth. God bless you, one and all, for your loving assistance to Our Cause of Freedom!

BELOVED ARCHANGEL MICHAEL—(*Continued from page* 11)

bring you some kind of distress. *Dear God! If only you could and would accept the reality of this in your feelings!*

I would to God that for just one minute I could stand visible to your physical sight and, drawing aside the veil of maya, ask one of you in the audience to stand here before me. Then, passing My hands of pure light through the aura of that one, you would then be able to see something of the darkness of the shadowed substance which would disappear from the aura as I stripped it away. Then too you would realize more of what it means to have *one of Us* "strip" the physical and inner vehicles of humanly qualified energies which have accumulated there. If daily you will so make the call to Us (Myself, the Elohim of Purity, Mighty Astrea or any of Us who have to do primarily with the service of God—purification) We shall be glad to come, or perhaps send an Angel of Our Presence, to render this service for you—once an hour, if you so desire. Try Us out on this—keep up your rhythmic calls for this to be done and see what We can and will do for you! Of course, always be sure to decree that all of the substance so removed be instantly and eternally replaced by the full perfection, command and eternal control of your own Holy Christ Self, so that no shadows of human creation can ever manifest in your world again. Do you see? This is a great safe-guard for you.

"Almighty God! Because of the service rendered by the student body in the purification of the Earth—which purification is now going on—I ask that the veil of maya be allowed to be removed at least from the students themselves, so that they may be able to see the magnificent results of some of these activities which We describe to them from time to time.

This would give them greater faith in You; faith in Us; faith in this work and faith in their own endeavors. Almighty God! I make this call in Your Most Holy Name, 'I AM'!"

Accept Archangel Michael as Your Loving and Close Heart-Friend

Beloved ones, with all the gathered momentums of dynamically and positively qualified energies which I carry in My world, still I am part of the expression of Divine Love which is being released through this Class. Like Our Beloved Morya, I sometimes get somewhat carried away by My enthusiasm in service. Please try to forgive any tremendous releases of My energies while talking to you, which have seemed unusually powerful. You know, there are times when one is required to be quite powerful—more powerful than at other times. You know that yourself. You know that there are certain destructive conditions which do not yield easily. In the past, I have wrestled with some of those who were in the "Compound" and I know!

However, I have also held in my arms a very small child which had just been released from its Earth body. I have bathed it with My Own hands—cupping the essence therefor from the River of Violet Fire and have then carried it to the "Sleepers' Realm". There, placing it on a small cot, I covered that little form with a blanket of roses.

Once, long ago, when that blessed Mother Mary Who was the One through Whom Our Beloved Master Jesus took His last embodiment—when She was a very small child and alone in that great Temple, I took upon Myself the aspect of loving comfort to Her. Sometimes I would visit Her little room at night before She slept and entertain as well as instruct that little One by telling Her stories of Our Kingdom. Then I would sometimes bring to Her tiny Angels, directing them in rhythmic "drills" and other manifestations of beauty and grace, right thereon the counterpane of Her bed. You know, She was only three when She entered that Temple and during the time of Her stay there, I tried to banish some of Her loneliness and make a little happiness for Her. So, you know, there really is a very "sweet side" to Me, as well as the more powerful protective one by which, perhaps, I am better known to the greater numbers of humanity. *One day you will all be glad that I have been so powerful—for the power I release is truly Divine Love! . . . . .*

In the Name of God's Own Love and Light—I am your Servant—Michael!

IMPORTANT!

For many, many years, the date of September 29th has been set aside for the adoration to our Beloved Archangel Michael. It would be well for all of us—particularly those of us in this New Activity of the Beloved Ascended Masters Saint Germain and El Morya, to consciously acknowledge this day, individually and in groups, in gratitude for the transcendent service Beloved Michael has given to us and all mankind; not only in this embodiment, but all through the ages. *Blessed be His Most Holy Name!*

GROUP INSTRUCTION MATERIAL FOR TRANSMISSION CLASS

September 21, 1957.

DEAR FRIENDS OF FAITH'S PURE LOVE:

God bless you! In the Name and Authority of my own Beloved "I AM" Presence and the Great Cosmic Being Faith Herself (and remember! Her commands of Divine Love cannot ever be denied!) I call in, through and around each of you Gentle Readers today and all ways—OCEANS of Her Heart-flame *of the feeling* of Cosmic Christ Faith in God and His ineffable Goodness, as well as His immortal desire to give all that He is and has to ALL his creations.

To this end, we now call to Beloved Faith to place in the aura of each of you—to remain there until your victory of the Ascension is complete—an Angel of Cosmic Christ Faith Who will assist you to your victory in ways of which you cannot possibly know in the outer consciousness. Believe this! Accept this gift! Give this lovely Angel of the Blue Flame of Faith conscious recognition for just a moment at least once each day and prove the worthiness of this decree called forth for you. Prove it to yourself! *No one else can prove anything for you!*

Do you think it possible for any unascended being to estimate the importance and the need of the God-quality of FAITH? Well, hardly! It is the very First Ray released from the Godhead Itself—and is a primary requisite to the carrying of any manifestation through to victorious accomplishment.

Just what can you do without faith? If you do not believe in a person, place, condition or thing, as a rule you do not give them much of your life. Consciously or otherwise, you must have Faith in something or someone in order to be able to live at all! Think it through! If you did not have some kind of (unconscious?) faith in the power of your

limbs to carry your body for you, would you even attempt to get out of bed in the morning? If you did not believe that the food you were about to eat would nourish your body so that it could continue to be of service to you, would you bother to eat your breakfast? If you did not believe that you had taken on certain responsibilities in a position which would give you opportunity to serve life in some constructive way and earn a living for yourself and those you love, would you go to work? Try to think about how much faith goes into everything you do in your daily experience life!

Trust is Faith, is it not? Well, do you not confidently (and almost daily) entrust the safety of your person to the consciousness of an elevator operator and the mechanics of a "lift" many times during the day—especially if you work in high buildings? Do you not trust yourself to the skill and careful driving of a motorman, bus driver or railroad engineer while travelling to and fro? You may never even see the outer form of that engineer in the cab of your train and yet you trust him to be sober, efficient and alert—carrying you safely over hundreds of miles. Thousands every night peacefully and trustfully go to sleep on those rolling giants of locomotive power—incidentally without even a "thank you" to the one in the cab up front—that lifestream carrying a tremendous responsibility! It is said of President McKinley that he always wore a white carnation in the buttonhole of his coat and ALWAYS took the time, at the close of a train trip, to walk up to the locomotive and there present his white carnation to the engineer in the cab, thanking him for safe convoy. Is not humble gratitude a beautiful God-quality?

As you know, we have mentioned just a very few of the blessings which we experience because of the use of Faith. The Beloved Apostle Paul (now the Ascended Master Hilarion) gives us the most magnificent definition of Faith as "Faith is the *substance* of things hoped for; the *evidence* of things not seen". Faith is the *natural feeling* of God's light—BEFORE it becomes contaminated by human doubts and fears. Therefore, being light-essence—IT REALLY IS THE SUBSTANCE of things hoped for! *Literally,* that statement is so true! The next part of the statement—"the EVIDENCE of things not seen"—the FEELING of the presence of a thing IS THE THING ITSELF—already in our worlds, just not yet low-

ered into the physical vibratory action enough to appear on this plane. However, *that feeling constantly held* will produce the manifestation in due time!

Our Beloved Saint Germain has told us that, in mankind's forgetfulness of his Source, he has acquired many peculiar quirks in his thinking processes. We can all agree with that for, after reading the above, does it not seem strange to think that mankind have the most glorious trust and faith in so many people and things in this world and still cannot bring themselves to the place of trusting God to protect, heal and supply them with every good thing which he really wants them to have?

Can you say with St. Paul—"I KNOW in Whom I have believed . . ."? If so, you are fortunate indeed! You are then anchored and grounded in Truth and in Faith. Then, when you sincerely call to your own Beloved "I AM" Presence and the Great Ones Who are the Powers of Light, there is no question in your world of the quick and perfect answer to your prayer or decree—for your Faith IS THE SUBSTANCE of that for which you have called! If you seem not to have such Faith, we offer the following decree for your daily use to build that God-quality in, through and around you, so that you may have God-accomplishment and God-success in all that you undertake! Then shall your Divine Plan be quickly fulfilled and the victory of your Ascension be an eternal reality to and for you! Masters of God-faith, walking the ways of Earth, gratefully, we salute you!

Faithfully, Joyously, Victoriously in the light—
"I AM"

FRANCES K. EKEY

SUGGESTED DECREE

In the Name and Authority of my own Beloved Victorious Presence of God "I AM" right within my beating heart—I decree:

I live, move and have my being in a gigantic, fiery focus of the Victorious Flame of Cosmic Christ Faith in the reality, protection and perfection of Almighty God, from the Heart of the Beloved Archangel Michael. Let that Flame blaze for a thousand feet around me in every direction, instantly and constantly transmuting into Itself all that is not Faith in God,

in everyone, everything, everywhere "I AM", today and forever.

(After giving the above 3 times please say:

"And I consciously accept this done RIGHT NOW with full power!" (3)

EL MORYA SPEAKS TO THE GENTLE READERS:

July 2, 1957

Beloved chelas, I do implore you to make individual and collective calls for the instantaneous removal of all bigotry, bias, prejudice, resentment and hatred caused by differences in racial backgrounds, religious affiliations, national and planetary karmic differences at this time.

There are three reasons why an individual is born into any particular race, religion, nation or family:

First, because through the use of his own free-will, he has earned a place in any of the above mentioned categories.

Second, because he has hated or persecuted the very race, religion, nation or members of the family into which he is born.

Third, because he has volunteered to help that race, religion, nation or family.

All thinking people realize that it is the timbre of the soul, the nature of the feelings, the service of the individual, *rather than the "envelope"* (body) he wears which is of value to The Great White Brotherhood. Of course, inter-marriage between the races is not according to Divine Law because of the suffering caused to both parents and children alike. However, common worship is to be applauded with a full realization that those in each race can best serve that race by lifting it from within rather than endeavoring to escape the confines of that race for temporary pleasure.

In the East, the greatest block to spiritual progress is this prejudice among the various races and religions. In the West, this same attitude caused the civil war and, lately, great unrest among the "down trodden", which could lead to revolution and great distress. I Am counting on *you* and *you* and *you*, to help Me to cognize the worth of every man by his service and nature and "pour oil on the troubled waters". Thank you.

EL MORYA
